orations Richard Shurtliff reports that the town will be in gala attire on the day of the parade and urges that business houses along the line of march be decorated by their owners as lavishly as possible and also that residences along the line of march as well as in other parts of the city will display the American flags in honor of these service men. Flags and bunting in large quantities has already arrived here which will be used by the committee in decorating the South side bridge, the Marion county court-house and various public places. The trolley poles of the Monongahela

Valley Traction company will be decorated along the line of march by that company and a banner on which will be printed a welcome to the soldiers and sailors will be used in these decorations. The committee desires that the demonstration be as nearly an all American demonstration as possible and asks that the American flag and colors predominate in the decorations and in the flags and banners carried in the parade.

Organizations Report. H. T. Jones, chairman of the committee on fraternal organizations announces that he has received notification from the following organizations that they will participate in the parade. Independent Order of Odd Fellows, Elks, Knights of Pythias, Woodmen of the World, Maple Grove No. 10 Woodmen Circle, Knights of Malta, Modern Woodmen of America, Moose Rebekahs, Knights of Columbus, Royal Neighbors, Ladies of the Golden Links, Protected Home Circle, Ladies of the Golden Eagles, Lady Macabees No. 733, Knights of Golden Eagles, Christopher Columbus Society, the Macabees. This is by no means all the organizations which will participate in the parade but is merely those who have sent in notification that they will be on hand when the parade starts. Mr. Jones would urge that other fraternal organizations who contemplate taking part in the parade will notify him at the earliest possible time so that places may be assigned them in the parade before it moves.

Captain Homer Toothman reports that the response to the invitations sent out throughout the county to soldiers and sailors to participate in the home coming celebration is not so great as he would desire. A number of soldiers and sailors have responded through the notice printed in the daily papers, while still others have gone to Mr. Toothman personally and signed up. However, as the time draws near it is believed that the large majority of the returned service men will signify their intention of taking part in the parade. Mr. Toothman has issued the following card of information to all soldiers and sailors and believes it will have a good effect in rounding up the men. Mr. Toothman is leaving no stone unturned to secure a good turnout of the service men.

TO ALL RETURNED SERVICE MEN OF MARION COUNTY

The people of Marion county have planned for a celebration in honor of the returned service men for May 30. They want to see the boys in uniform and to show some appreciation of the work you left home to do. There is planned a big demonstration for July 4. This card is to inform you of as much of the details as is now known and to invite you to be present on this occasion if it is possible for you to do so. The committee has appointed me to try to get word to all the men possible and to urge them to be present. The plan is for all men to assemble at South Side Park in Fairmont at one o'clock on May 30 for the formation. The parade will start from there at 2 p. m. sharp and will pass through Farmington and around Madison to Jackson to Cleveland and back to the Court House, where you will be dismissed. The ceremonies take place from the Court House steps. There will be quite a number of other organizations, lodges, schools, boy scouts, etc., in the parade. Civil War Veterans and Spanish War Veterans will be there, too. The uniform for soldiers, if you have one, will be the best of what you have. For sailors dress blues and leggings. If you have no uniform be at South Side Park anyway. Be present if you possibly can. Tell your friends about it and bring them.

HOMER C. TOOTHMAN, Temporary President of Returned Service Men's Organization.

Kenna Clark is also hard at it rounding up the sailor contingent which will participate in the parade and reports substantial progress along this line. King Good Speaker. Congressman M. M. Neely in a message sent to J. Walter Barnes here last night said he had succeeded in securing the consent of Senator King to deliver the address to the service men and added that Senator King was a splendid and forceful speaker. Congressman Neely spent Sunday in this city and at that time stated that he had tried to secure Secretary of the Navy Josephus Daniels to deliver this address and had gotten his consent only to be disappointed when conflicting dates compelled Mr. Daniels to cancel the engagement. He then tried to get Hon. Henry Cabot Lodge for the occasion but was unable to do so but believed he had secured a worthy substitute in Senator King. Chairman of the Marion county Council of Defense J. Walter Barnes will preside at the speaking and will introduce the speaker. Plenty of Music. Chairman of the Committees on Mus-

KEPT HER AWAKE

The Terrible Pains in Back and Sides. Cardui Gave Relief.

Marksville, La.—Mrs. Alice Johnson, of this place, writes: "For one year I suffered with an awful misery in my back and sides. My left side was hurting me all the time. The misery was something awful. I could not do anything, not even sleep at night. I kept me awake most of the night. I took different medicines, but nothing did me any good or relieved me until I took Cardui. . . . I was not able to do any of my work for one year and I got worse all the time, was confined to my bed off and on. I got so bad with my back that when I stooped down I was not able to straighten up again. I decided I would try Cardui. . . . By time I had taken the entire bottle I was feeling pretty good and could straighten up and my pains were nearly all gone. I shall always praise Cardui. I continued taking it until I was strong and well." If you suffer from pains due to female complaints, Cardui may be just what you need. Thousands of women who once suffered in this way now praise Cardui for their present good health. Give it a trial. NC-128

Miss Davis Appears in Leading Role

Miss Irene Davis is the member of the C. E. Hutchinson class chosen to portray "Fanny" in their class play "Fanny and the Servant Problem" to be given at the Grand June 3.

Miss Davis as Fanny shows a charm and a versatility which enables her to win the hearts of her husband's conservative family, to make her actress friends welcome in her new home, and to uphold her authority over the twenty-three servants, even when opposed by such a formidable foe as Martin Bennett, the butler.

Mr. Ira L. Smith announces that he has secured the following musical organizations to take part in the parade: the Greater Fairmont band; the Manington band, the High school drum corps and the High school cathedral band of Wheeling with 42 musicians. Other bands have been secured by various organizations to lead their delegations in addition to these secured by the city.

E. B. Moore and H. J. Hartley are working out the financial features and report good progress on this end of the business. Citizens are responding liberally when approached and asked to contribute toward the expenses of the demonstration.

MINE WORKERS TO HOLD PARADE

Indications are that there will be a big turnout in the parade of the United Mine Workers which will be held at Watson on Memorial Day, Friday at 9:30 o'clock in the morning. The United Mine Workers will meet in a body at Twelfth street and Fairmont avenue.

There will be three bands of music in line including the Moose band, the Manington band, which has been secured by the miners of Jamison 7, 8 and 9, and the Clarksburg band which has been engaged by a number of United Mine Workers' union in Harrison county.

date the pupils in music of Miss Amy Rogers Rice, head of the music department of the school, will appear in piano recital.

On Friday evening, June 13, the Junior Normal class will hold its class day program and on Saturday, June 14, the Short course class will hold its class day program.

On Sunday morning, June 15, the annual baccalaureate sermon will be preached at the Normal school. The Rev. Elkanah Hulley, president of Broadus college, at Philippi, well known Baptist clergyman, will deliver the sermon and music will be furnished by the student body under the direction of Miss Harriett Schroeder, head of the vocal department of the school.

On Monday evening, June 16, the Senior Normal class will hold its class day exercises and on Tuesday evening the annual alumni banquet will take place. It is planned to have at this banquet members of each graduating class since the founding of the school.

One feature will be omitted this year, this being the annual contest for the silver wreath held between the Lyceum and Mozart literary societies. This contest always brought to the Normal members of the alumni from elsewhere and it is planned to make the alumni reunion this year the drawing card instead of the contest as heretofore. Not sufficient interest was manifested in the literary societies during this year to warrant their being kept up. This was largely due to the fact that the war called practically all the young men into service and the interest was not maintained by the young women.

The big social event of the school year will take place on the evening of Monday, June 9, when the faculty will give the annual reception to the Senior class and their friends at the Normal building. This will be an auspicious occasion and invitations will be issued for the reception soon.

JOHN JAKE WEST WAS BURIED TODAY

Funeral services over the body of John Jake West, aged 75, a pioneer resident and a highly respected citizen of Marion county whose death occurred yesterday morning at his home on Prickett's creek, were held this afternoon at two o'clock from the family residence and burial was made in Vincent cemetery by Undertaker, Fred L. Jenkins.

Mr. West was a veteran of the

Civil war and was the leader of the famous drum corps known as the West Drum corps. He was born in Union district on February 23, 1844 and was a son of the late Zachary M. and Sarah Layman West of Marion county. In his early manhood he was united in marriage with Miss Elvira A. Vincent who died a number of years ago and he subsequently married Miss Nancy Baker who survives him. The deceased was the father of seventeen children ten of whom survive him as follows:

Bert West, Satterfield street, this city; Curtis West, of State Street; Minta L. West, of Morgantown ave.; Dent West, of Norwood; Clint West, of Haymond street; Mrs. Samuel Morgan, Walnut Grove; Mrs. Clarence Vincent, Prickett's Creek. Those deceased are Andrew, J. Bertha, Etta, Clyde, Tim, Alta, Lettie, Clay, Gertrude and one who died in infancy.

Two brothers William West of Johnstown and Jonathan West of Hopewell also survive him.

Mr. West was a successful farmer and was a splendid citizen. His death is deeply felt in the community in which he had been a resident for so many years.

He was a member of Company G, 15th West Virginia Volunteer Infantry and was also a member of Meade Post No. 6, G. A. R. and had always taken an active part in this organization. He was the founder of the well known drum corps which bore his name and which always furnished martial music on Decoration day for other patriotic occasions. He trained his sons in the art of the rifle and drum and together they spent many happy hours and furnished many celebrations with splendid music. He had been a faithful member of the Bethel Methodist Episcopal church for a number of years.

Clyde Hennen, a former resident of this city, who had been in foreign service for the past year or more has landed in New York and has been sent to Camp Dix where he expects to be mustered out of service shortly. Previous to going to France Mr. Hennen was employed by the Consolidation Coal company and he expects to come here immediately upon his discharge from service.
